Position Availability:	As needed, depending on project requirements
Location:	Oceanside, CA
Position Type:	Part-time, temporary, hours as needed
Position Pay:	\$21/hour

ABOUT THE COMPANY

Action Research is a behavior change marketing firm headquartered in Oceanside, California. Action Research specializes in the application of behavioral and social science research to outreach programs that promote safe, healthy, and sustainable communities. Since its founding in 2001, Action Research has gained international attention as a leader in developing effective behavior change programs using community-based social marketing (CBSM). Our work has been highlighted in numerous publications, including *Social Marketing to Protect the Environment: What Works*, the *Wall Street Journal*, and *BioCycle* magazine. We have a global clientele that includes dozens of governmental agencies, non-profit organizations, and private companies that are seeking to foster behavior changes that protect the environment.

POSITION SUMMARY

The **Research Assistant** position is intended to support a wide range of research and evaluation activities associated with behavior change programs in the domains of environment, health, and public safety. Hours are available on an as-needed basis, and job duties may vary based on assignment.
